American Exorcism: Expelling Demons in the Land of Plenty Michael W. Cuneo

A guided tour through the burgeoning business of exorcism and the darker side of American life.

There is no other religious ritual more fascinating, or more disturbing, than exorcism. This is particularly true in America today, where the ancient rite has a surprisingly strong hold on our imagination, and on our popular entertainment industry. We've all heard of exorcism, seen the movies and read the books, but few of us have ever experienced it firsthand.

Conducted by exorcists officially appointed by Catholic archdioceses and by maverick priests sidestepping Church sanctions, by evangelical ministers and Episcopal charismatics, exorcism is alive and well in the new millennium. Oprah, Diane Sawyer, and Barbara Walters have featured exorcists on their shows. The *New York Times*, *Los Angeles Times*, *Time*, and other publications have charted the proliferation of exorcisms across the United States. Last year, the Archdiocese of Chicago appointed its first full-time exorcist in its 160-year history; in New York, four priests have officially investigated about forty cases of suspected possession every year since 1995.

American Exorcism is an inside look at this burgeoning phenomenon, written with objectivity, insight, and just the right touch of irony. Michael W. Cuneo attended more than fifty exorcisms and interviewed many of the participants—both the exorcists who performed the rituals and the people from all walks of life who believed they were possessed by the devil. He brings vividly to life the ceremonies themselves, conjuring up memories of Linda Blair's astonishing performance in the 1973 movie *The Exorcist* and other bizarre (and sometimes stomach-churning) images. Cuneo dissects, as well, the arguments of such well-known exorcism advocates as Malachi Martin, author of the controversial **Hostage to the Devil**, self-help guru M. Scott Peck, and self-professed demonologists Ed and Lorraine Warren of *Amityville Horror* fame.

As he explores this netherworld of American life, Cuneo reflects on the meaning of exorcism in the twenty-first century and on the relationship between religious ritual and popular culture. Touching on such provocative topics as the "satanic panics" of the 1980s, repressed memory, and ritual abuse, **American Exorcism** is a remarkably revealing, consistently entertaining work of cultural commentary.

Cheryl Fenske:

As we know that book is essential thing to add our know-how for everything. By a book we can know everything we would like. A book is a group of written, printed, illustrated or perhaps blank sheet. Every year had been exactly added. This guide American Exorcism: Expelling Demons in the Land of Plenty was filled with regards to science. Spend your spare time to add your knowledge about your scientific research competence. Some people has diverse feel when they reading a book. If you know how big selling point of a book, you can sense enjoy to read a reserve. In the modern era like currently, many ways to get book that you simply wanted.

Bobbi Wilkinson:

As a scholar exactly feel bored to be able to reading. If their teacher inquired them to go to the library in order to make summary for some publication, they are complained. Just tiny students that has reading's heart and soul or real their hobby. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that looking at is not important, boring along with can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this American Exorcism: Expelling Demons in the

Land of Plenty can make you experience more interested to read.
