## **Blind Justice** Ethan Cross

Deacon Munroe is not your average investigator. He's intelligent, cultured, well-connected. And totally blind. Washington DC is Munroe's city. Now it's a city shaken to the core by the death of a high-ranking general and his wife. All the evidence suggests that the general killed his wife before taking his own life. Deacon Munroe does not trust what other people see – only what he knows is true. What Munroe soon knows is that the general's death is part of a far greater plan, a sophisticated and brutal plot to kill thousands of innocent people, including those closest to Munroe himself. But with only a small team at his aid, and just hours to stop a devastating attack on the city, can Munroe unearth the truth in time to bring justice to the city?
