From the Artist:

As an artist, color is a thing of magic in my life. Color creates shapes, forms, and feelings in the artworks I paint. Laying color onto a blank page is when I feel closest to true magic, when I feel happiest and most relaxed, and it's through what I create that I share my love of magic with the world. Through my coloring books I want to share that same magic with you.

The artworks in my books are based on my completed paintings, which I have painted over the last ten years as a professional artist. I have created the coloring designs to be intricate and detailed but still fun and accessible. There is something for lovers of meditative detail while simple enough to not be overwhelming for younger colorists.

When designing my books I decided to print them with two copies of each design, because I know as an artist there are always so many possibilities! I wanted to give everybody the chance of a do-over with every design, because I also know mistakes can happen, and even the fear of mistakes can hamper creativity. I want you to be able to create without fear! Try a different medium, or a different color scheme. The double pages are also a chance to share the magic with a friend, child, parent, sibling. Because sharing your creativity and joy of color is the best magic of all.
