Is Grandma a Reptile? Gloria Ferguson

Grandma's feet are always cold. Her grandchildren believe they can find a solution to Grandma's situation. One grandchild after another tries different remedies that ultimately fail. Socks and slippers do not work. Creativity comes in to play with one grandchild using a hair dryer only to disappear before Grandma's feet have a chance to warm up. Eventually, someone has an idea that sparks the interest of everyone. Who finds the solution? How can everyone participate in warming up Grandma's feet? Will the grandchildren begin to think that their Grandma is part reptile if this last attempt is unsuccessful?
