"In the small village of Kilbane, County Cork, Ireland, Naomi's Bistro has always been a warm and welcoming spot to visit with neighbors and share a cup o tea. But murder has a way of killing business . . ." Nowadays Siobhan O Sullivan, along with her five siblings, runs the family bistro named for their mother. It's been a rough year for the O Sullivans, but it's about to get rougher. One morning, as they're opening the bistro, they discover a man seated at a table with a pair of hot pink barber scissors protruding from his chest. With the local garda suspecting the O Sullivans, and their business in danger of being shunned, it's up to feisty redheaded Siobhan to solve the crime and save her beloved brood.

If Janet Evanovich and Maeve Binchy wrote a book together, "Murder in an Irish Village" would be the result. This one is delicious fun. Laurien Berenson, author of "Live and Let Growl"

A smart whodunnit in an idyllic locale. I dare you not to be charmed by sleuth Siobhan and her siblings, the O Sullivan Six. Barbara Ross, author of "Fogged Inn"
