This book is part of a series that teaches young children about emotions in easy-to-understand, colourful books. This book: explains how to recognise certain emotions in others, the causes of these, implications and possible courses of action. Every title in the "Feelings" series uses beautifully hand-painted illustrations to explore a different emotion that will be familiar to young readers. It uses familiar situations to enable the reader to put what they are reading into context with their every day lives. It also includes quizzes to get children to identify emotions from looking at other people's faces and body language.

#### **Jennifer Day:**

As a student exactly feel bored to reading. If their teacher requested them to go to the library in order to make summary for some book, they are complained. Just small students that has reading's spirit or real their interest. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Sad (Read and Learn: Feelings) can make you really feel more interested to read.
