**Sensing the Spirit: The Holy Spirit in Feminist Perspective** Dr. Rebecca Prichard

In *The First Feminist: Constructive Theology of the Spirit*, Prichard uses the five senses to explore the Bible, historical theology, medieval mystics, contemporary experience, and more as ways to speak metaphorically of God's Spirit. This poetic book combines theology with hymns, scripture, poetry, and the reflections of such mystics as Julian of Norwich and Hildegard of Bingen to talk about and to evoke a sense of the Spirit's presence.
