People today want to connect to God; they crave spirituality. But inside the walls of the church they are getting a 30- to 50-minute spiritual monologue. Simply put, sermons do not communicate effectively in a YouTube, Twitter, and Google world. We just can't keep doing business—preaching—as usual in this fluid culture.

Sermons Reimagined will teach you easy, practical ways to reach today's audience, who:

- Consumes sound bites, not sermons
- Processes information visually, not verbally
- Applies concepts through experiences and interaction, not passivity and lectures

It's time to reimagine the sermon. This book will show you how.
