The History of Southern Africa (Britannica Guide to Africa)

The History of Southern Africa (Britannica Guide to Africa)

The history of southern Africa is marked by both the convergence and divergence of diverse cultures. Clashes between European settlers and indigenous peoples throughout this section of the continent were common. At stake were rights to a wealth of natural resources and, as time went by, independence. This volume surveys the often volatile histories of each country in the region and introduces readers to the diversity of peoples that are an important element of each countrys past and future.
