The Villa Bonita

The Villa Bonita

Like many apartment buildings in Hollywood, the Villa Bonita was built during the film industry's first heyday bridging the 1920s to the 1930s. Built for the vast crews and casts that Cecil B. DeMille was hiring during his fertile period, the Villa Bonita has housed great Hollywood figures from Errol Flynn to Francis Ford Coppola. In a series of photographs that brings us into intimate distance of its subjects, *The Villa Bonita* surveys all of the inhabitants of this historic apartment tower in the middle of Hollywood, creating a collective portrait of the transient nature of the city.
