From the attempted murder of his daughters to face-to-face conflicts with witches, Russ Ely has been on the front lines of the battle for the City of Salem. This gripping book reads more like a mystery novel than the true-to-life story it is. Rev. Russ Ely is a pastor in the "Witch City"-Salem, Massachusetts. It is the only city in the United States that has an image of a witch on the sides of every police car and fire truck, and the only city with an "Official Witch". If you think that witches, witchcraft, spells and incantations are the stuff of children's stories; this book will open your eyes to an unseen world of conflict, power struggles and, yes, even demonic attack-all for control of a city. Salem's heritage as the "City of Peace" or her harlotry as the city of witches-which one will win the very real battle for the heart and soul of her people? Read this book to find out!
