## **Broken People on Broken Pews** Dena S Eppinger-Chambliss

The church doors are open, but is anybody home? If you break a bone, you go to the hospital. But when your inner man—the heart, soul and mind—are broken, you may seek healing inside the four walls of the church. However, when a wound is exposed to even greater toxins, the infection grows greater, leaving a person with wounds that never heal. Broken People on Broken Pews addresses the wounds and scars that people never heal from because the one place where they seek help is hurting even more: the church. In this work, the author allows you to have a glimpse into her world, while encouraging the reader to remove the temporary bandages from old wounds so that the true healing process can begin.
