## Coin Hoards X: Greek Hoards

The tenth volume of Coin Hoards is again focused on ancient Greek coinage. The inventory contains records of 471 new hoards or re-evaluations of old ones, and provides an indispensable supplement to the Inventory of Greek Coin Hoards and previous volumes of Coin Hoards. Ten articles are devoted to the full publication of a series of important new hoards related to the coinage of the Seleucid Empire, and are accompanied by 67 illustrative plates. These studies constitute a major advance in our understanding of the coinage and economy of this period, both within the Seleucid Empire and in the neighboring Greek world.
