Firefly Night follows the adventures of A.J. and his sister as they set out to catch fireflies on a warm summer evening. Young readers will delight in the beautiful and whimsical hand-painted illustrations of the fireflies, and will enjoy counting the sequenced sets of fireflies on each delightful page. When A.J. and Sidney decide to release their fireflies to the night sky, they learn, as young readers will learn, that ultimately nature should be returned to nature. They also receive a special message from the fireflies!
