General Test Guide 2005: The Fast-Track to Study for and Pass the FAA Aviation Maintenance Technician General and Designated Mechanic Examiner Knowledge Tests (Fast Track series) Dale Crane

The Fast Track series is designed to prepare applicants who are seeking Federal Aviation Administration (FAA) certifications for the full range of material on each test of the series. Prospective test takers are supplied with questions that have been used in the FAA's knowledge exams for aviation mechanics along with an answer key, explanations, and references to quickly improve their comprehension and retention of the test and study materials.
