Holy Doodles: Cartoons to Contemplate Rev Trey Everett

This is a book of cartoons....but, it's also a book about contemplating deep issues. Holy Doodles volume 2 is designed to be thoughtful, introspective, and challenging. Hopefully your mind will be stretched just enough to cause you to think more deeply about your life with God. Each image I've chosen for volume 2 came to mind from meditating on Scripture passages, books, past events, conversations with friends and family, and from simply trying to be attentive to God in my everyday life. Following each drawing is a short paragraph about the drawing itself along with a few questions to ponder and discuss. There are no "right " answers. The goal, which is extremely difficult , is to be truly honest with who you are and what you believe. This, I believe, is what God is interested in, the real you, not some pretend you who always gives the correct answer. My hope is that Holy Doodles, Cartoons to Contemplate volume 2 will be a creative encouragement in you wonderful life. Each image comes with a commentary and discussion questions. Books can be used in small group settings, retreats, and for personal devotions. Instructions on how to use the book in a group setting as well as suggestions for individual contemplation are included.
