ISO/IEC 31010:2009, Risk management - Risk assessment techniques ISO/TMB

IEC 31010:2009 is a dual logo IEC/ISO, single prefix IEC, supporting standard for ISO 31000 and provides guidance on selection and application of systematic techniques for risk assessment. This standard is not intended for certification, regulatory or contractual use.

NOTE: This standard does not deal specifically with safety. It is a generic risk management standard and any references to safety are purely of an informative nature. Guidance on the introduction of safety aspects into IEC standards is laid down in ISO/IEC Guide 51.
