Let's Find It!: My First Nature Guide Katya Arnold

My First Nature Guide by Katya Arnold uses a seek-and-find formula to help youngsters identify objects in the natural world. In each spread, various plants and animals appear labeled on the left, and the right-hand page features a full-color illustration in which all the elements are included. Final pages categorize the flora and fauna (plants, fungi, animals) and list where each can be found within the book.
