Lutheranism 101 Baptism Charles Lehmann

Baptism is not a mere symbol of rebirth. It is not a choice or a prize for attaining a certain amount of faith.

Lutheranism 101: Holy Baptism gives an overview of what Baptism is, what it does, how it does it, and what it means for our lives now and into the future. Throughout, it emphasizes that the One doing the baptizing makes all the difference. Like the original book, Lutheranism 101: Baptism will never get too far away from the reality that it is all about Jesus.

Each chapter concludes with several questions that can be used to further the study and the discussion about the material. For those who may be leading a group discussion based upon the chapter, and for those individuals who want to check their answers against the author's comments, a free downloadable guide is available online at lutheranism101.com
