Romanian Fighter Colors 1941-1945 (White Series) Teodor Liviu Morusanu

This book describes and illustrates all the fighter aircraft used by the Romanian armed forces during WW2. Covering both the indigenous designs employed early on through to the German fighters flown for much of the period, the camouflage and markings of these aircraft are described and illustrated in great detail.

Fully illustrated with many rare wartime photos, and scale plans of the major types. Full color profiles of many representative aircraft.
