Gary Nickolaus

The Physics of God: Quantum Mechanics and All That Is, On Earth As It Is In Heaven Gary Nickolaus

The author has spent his life in an obsessive quest to understand the nature of reality and the purpose of existence. Many would say this is a symptom of Asperger's syndrome, a high functioning form of autism. While I certainly fit this profile I believe there is a different more amazing reason. If an individual actualizes their potential in this space-time it is also actualized in the "Singularity" the space-less, time-less part of the dual universe at the quantum level. Each step of my life has led to find the answers because in the "Singularity" I had already found them. Here are the answers to God, the universe, and everything, I give them to you now because you are in desperate need of them, do with them what you will. Buy the book or not, read the book or not, I do not care, for I have completed my task and fulfilled my destiny, and that is all that matters. But if you do read the book be prepared for a remarkable vision of the nature of reality, and a magnificent purpose of existence illustrated with poetry and painting.

From reader reviews:

Edward Capps:

This book untitled The Physics of God: Quantum Mechanics and All That Is, On Earth As It Is In Heaven to be one of several books that best seller in this year, honestly, that is because when you read this book you can get a lot of benefit on it. You will easily to buy that book in the book shop or you can order it through online. The publisher of this book sells the e-book too. It makes you more readily to read this book, since you can read this book in your Mobile phone. So there is no reason for you to past this publication from your list.

Betty Richey:

The reason? Because this The Physics of God: Quantum Mechanics and All That Is, On Earth As It Is In Heaven is an unordinary book that the inside of the book waiting for you to snap this but latter it will surprise you with the secret the idea inside. Reading this book alongside it was fantastic author who write the book in such incredible way makes the content inside easier to understand, entertaining method but still convey the meaning totally. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This phenomenal book will give you a lot of advantages than the other book have got such as help improving your skill and your critical thinking way. So , still want to hold up having that book? If I ended up you I will go to the book store hurriedly.

Andrew Taylor:

As a pupil exactly feel bored to be able to reading. If their teacher asked them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their pastime. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that examining is not important, boring and can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Physics of God: Quantum Mechanics and All That Is, On Earth As It Is In Heaven can make you sense more interested to read.

Nancy Stever:

Reading a publication make you to get more knowledge as a result. You can take knowledge and information coming from a book. Book is created or printed or outlined from each source that filled update of news. In this particular modern era like today, many ways to get information are available for anyone. From media social like newspaper, magazines, science reserve, encyclopedia, reference book, new and comic. You can add your understanding by that book. Are you ready to spend your spare time to spread out your book? Or just searching for the The Physics of God: Quantum Mechanics and All That Is, On Earth As It Is In Heaven when you needed it?
