## **The Rules of Gentility** Janet Mullany

Regency heiress Philomena Wellesley-Clegg has rather strong opinions about men and clothing. As to the former, so far two lords, a viscount, and a mad poet have fallen far short of her expectations. But she is about to meet Inigo Linsley, an unshaven, wickedly handsome man with a scandalous secret. He's nothing she ever dreamed she'd want—why then can she not stop thinking about how he looks in his breeches?

A delightful marriage of *Pride and Prejudice* with *Bridget Jones's Diary*, Janet Mullany's *The Rules of Gentility* transports us to the days before designer shoes, apple martinis, and speed dating—when great bonnets, punch at Almack's, and the marriage mart were in fashion—and captivates us with a winsome heroine who learns that some rules in society are made to be broken.
