Time to Get Tough: Making America #1 Again Donald J. Trump

**Donald J. Trump has just five words for the politicians and so-called leaders in Washington, DC:
It s Time to Get Tough**

President Obama has been a disaster for America. In four short years, he s wrecked our economy, saddled our children with more debt than America managed to rack up in 225 years, and gone around the world *apologizing* for our country—as if the greatest nation in the world needs to apologize for being a land of opportunity and freedom, which we were before Obama became president.

Now, America looks like a broken country—stripped of jobs, stripped of wealth, stripped of respect. And what does President Obama do about it? He plays nice with a China that is doing everything it can to destroy our economy, while refusing to stand up for America with Middle Eastern oil mobsters who think they can hold us hostage through higher prices at the pump, and chucking billions in “stimulus money to his friends and supporters while letting the rest of us foot the bill.

This can t go on. And if Donald J. Trump has anything to say about it, it won t.

In his new blockbuster book, *Time to Get Tough*, Trump has the answers America has been looking for, an agenda for making America number one again, including:

- How to put OPEC out of business
- How to create American jobs by forcing Communist China into truly fair trade
- How to retire our debt without endangering long-established programs—like Social Security, Medicare, and Medicaid—that millions of Americans depend on
- How to undo the fraud of Obamanomics and the disaster of Obamacare

Blunt, straightforward, and honest, it s all trademark Trump, setting out a common sense agenda to restore American prosperity and make our nation respected once again.
