The tale of California searly days is an epic, an immortal song of daring, of hope, of the urge of youth to unknown trails, of struggle, and of heartbreak. A cross the great American plains the adventurers came, scrawling the story of their passing in lines of blood; they came around the Horn in wind-jammers, beating their way northward in the strange Pacific; they forced their way into the wilderness, awakening California shills from centuries-long sleep, andthey pitched their tents and built their cabins by thousands in Cherokee Valley. Those were the great days of Cherokee, days of feverish activity, of hard, fierce living, of marvelous event. The tales came down to Masonville, where the stage stopped to change horses, and drivers, express-messengers, and prospectors gathered in Mason sbar. The Chinese laundryman had found beside his cabin a nugget worth sixteen hundred dollars; the stage to Honey Creek had been held up just north of Cherokee Hill; Jim Thane had struck it rich on North Branch.
