In his biggest issue ever, Tomas continues to focus on anarchism and parenting. Our trusty editor zeroes in on sex and love this time around—talking to his son about internet pornography, a disturbing story of a single mother who is fetishized as such, a few people's stories of polyamory and non-monogamy, a troubled tale of nude photos of children, a sad story about anarchist mentalities driving a wedge between a mother and her anarchist community, Dani Burlison bribes her daughter not to kiss a boy until she's 18, kids learning violence—from *Star Wars*, and an interview with Dr. Chris White about teaching sex education to sex educators.
