This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1898 Excerpt: ...now to the map of the aforesaid river and seacoast of Pomeroun, furnished herewith1, I beg leave to draw your attention to the fact that on it has been placed a canal which in course of time will have to be made from the seacoast to the river of Pomeroun, it being marked with the letters D D. between numbers 57 and 58. I have asked the surveyor Chollet to consider whether it would not be better to make a canal between numbers 75 and 76, but he answered saying that, if the canal were made between numbers 57 and 58, it would be much nearer and more conveniently situated for the inhabitants on the shore of Essequibo, and also for those on the islands situated there; furthermore, No. 327. 1 Note by Prof. Burr.--For this map see atlas of the U. S. Commission, map 69. " that farther on than the creek Corial-path, the waves there are high and very dangerous as far as the mouth of the river of Pomeroun. You will please notice, furthermore, that on the map after every four plantations along the seacoast has been reserved a Company's path, which will have a width of ten rods, large enough for placing a post there, while several of these Company's paths can serve for draining off the forestwater. The batteries along the mouth of the river, marked with the letter aa, appear to me to be very well placed, and, as for the execution of this work, it will have to be entrusted to a skillful engineer. The reserved land from the point Cape Nassau to No. 98 along the seacoast, as also in front in the river, is exceedingly necessary to prevent the washing away of the grounds there. The town, marked on the map with the letter A. is very well placed, but it is easy to understand that it can only be inhabited by the officials of the country so long as that colony brings forth ...
