Celtic Miracles and Wonders: Tales of the Ancient Saints

Celtic Miracles and Wonders: Tales of the Ancient Saints

Glimpses of the Otherworld These are stories of the ancient Celtic saints?of Patrick and Brigit, Columcille and many others?in the words and cadences used by ordinary people who were alive during the nineteenth and early twentieth centuries. These tales reveal an ongoing conviction that the invisible world is as real as the visible one. They show us human beings living in constant, tangible friendship with God, with the supernatural, and with animals. And they lead us into a world where holiness and the imagination have joined hands, a world where we can truly catch glimpses of miracles and wonders.
