Explore a city of untold adventures and intrigue.

City of Stormreach explores the most important frontier city of Xen'drik, where opportunity and peril walk hand-in-hand. The book builds on the plots and characters featured in **Dungeons & Dragons Online: Stormreach**, the exciting MMORPG produced by Atari and Turbine, and introduces new adversaries and new locations to explore.

Stormreach is a city rich with adventure, where familiar elements intermingle with the unknown. This book describes the shadowy ruins, sinister organizations, and treasure-laden dungeons that make Stormreach such an appealing destination for player characters. In addition to providing Dungeon Masters with a richly detailed city for their Xen'drik-based campaigns, this supplement presents information on the movers and shakers of Stormreach, ready-to-use adversaries, adventure hooks, and location maps.
