Contemporary Pin-Up Photography Tom Denlick

The great pin-up illustrators of the '30s through the '60s have inspired a whole new generation of digital photographers. Replacing the artist's palette with myriad photo editing tools, the modern photographer has kept the pin-up tradition alive. This book is a visual delight with more than 300 photos from 25 photographers nationwide. The vintage images from cheesecake pin-up to Hollywood glamour will surely take you back in time, as will classic military nose art and authentic WWII bomber jackets. The pin-up models were photographed in the most scenic locations in the United States.
