Greenwoman Volume 2: George W. Carver Sandra Knauf

Greenwoman Magazine celebrates garden writing in all its forms: fiction, creative nonfiction, poetry, commentary, biography, art, and comics!

Daring and fun, *Greenwoman* is for the hip gardener who loves digging into the world of art and environmental thought that underlies gardening.

Volume 2 features:

"George Washington Carver: Grandfather of Sustainability"—an amazingly wrought mini-biography of an American hero—the man who was so (so) much more than just "the peanut guy."

"The Garden Club," the humorous tale of a typical non-gardener and his garden-mad neighbor (who happens to be nine years old)."

"Naked Tomatoes"—Alissa Johnson's delicately-told tale of the changing landscape of love.

"Rare Breed"—Former New York Times food columnist Molly O'Neill's portrait of a former "Marlboro Man" model who saves heritage breed turkeys in Kansas.

"Winter's Heart"—"Sex in the Garden" columnist Elisabeth Kinsey explores the eroticism and cultivation of roses.

PLUS: "The Honey Challenge," "Slow Ride," "The Creature Feature," art, comics . . . **and MORE.**

James Daniels:

As we know that a book is an important thing to add our expertise for everything. By an e-book we can know everything we really wish for. A book is a group of written, printed, illustrated or blank sheet. Every year has been exactly added. This publication Greenwoman Volume 2: George W. Carver was filled with regards to science. Spend your free time to add your knowledge about your science competence. Some people have diverse feelings when they read the book. If you know how big the benefit of a book, you can feel joy to read a book. In the modern era like today, many ways to get a book that you simply wanted.

Karen Baskin:

As a college student, I exactly feel bored for you to reading. If their teacher requested them to go to the library or to make a summary for some book, they are complained. Just very little students that have reading's soul or real their leisure activity. They just do what the teacher wants, like asked to the library. They go to generally there but nothing reading critically. Any students feel that studying is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. A book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for. Likewise, words say, many ways to reach Chinese's country. So, this Greenwoman Volume 2: George W. Carver can make you feel more interested to read.
