Men Talk Again Tim John Peterson

The book is basically quotes and thoughts of mine as well men I've come across in my life. Topics covered include religion, politics, pop culture, philosophy, belief systems, drug and alcohol issues, relationship issues, mental and emotional issues, raising kids, homosexuality and sex of almost every kind. All three books in the series are intense, raw, very funny, very hot, insightful, touching and very anti establishment. The basic premise is that a man can pick up this book and see that he is not alone in with his thoughts, feelings, fears, pain and desires. A woman can read it and see what's going on in the minds of men. They can learn about thoughts and feelings that men often keep to themselves and even rarely share with other men. Not everyone loves every quote, but there is something for everyone in these books and they are guaranteed to have you laughing out loud, grossed out, pissed off, thinking deeply, touched emotionally or stimulated sexually.
