Hunter would never forget the sweet kid who stepped in to help him out of a bad situation, just as he could never forget the look in her eyes when she was returned from the demon realm at dawn the next day. Time moved differently in the hell dimensions and years would have passed before she was brought home, only to be cast out for what she had become. When Cass returned she was like a creature gone wild; she was brutalized in the realm of demons and made brutal for all she had endured. She returned from the Underworld a hard-nailed bitch with a knack for killing demons, and they've been partners ever since. Though neither of them would have guessed it, they worked together like fire and oil, which made them unexpected partners on too many levels. Killing demons was the easy part—the rest was anything but easy. Content Warning: This work is classified as erotica. It contains graphic language, discussion of illicit substances and explicit sexual content, including BDSM and ménage. Not intended for anyone under the age of 18.
