The UFOs That Never Were

Jenny Randles

The UFOs That Never Were Jenny Randles

In this ground-breaking book, three noted ufo-logical investigators uncover the truth about famous UFO sightings and prove them to be genuine mistakes, fakes and false identifications. The chapters read like true life crimes cases as the authors faithfully report the facts of the case, probe all aspects of it, interview witnesses, examine all possible explanations and come to a conclusion--which may be more remarkable than a true UFO sighting.
