When the Stars Begin to Fall James Lincoln Collier

Everyone in Timber Falls knows that his family is trash, and sometimes Harry White thinks hell always be trash. But he cant help getting angry. After all, what had he and his sister, Helen, ever done to anybody? When he discovers the local carpet factory is polluting the river, he comes up with a bold exposé that, if he is successful, will make people sit up and show him respect. He wants to do it alone even though he knows hes asking for trouble. As trash, Harrys got nothing to lose. Or does he? Gripping, disturbing, and exhilarating, *When the Stars Begin to Fall* reveals the hidden forces that conspire against well-meaning innocents. Harrys desire to change himself and society is so powerful, his voice so direct and real, that listeners wont forget his struggle for dignity. In this striking departure from the historical novels he is so well known for, James Lincoln Collier has written a powerfuleven shockingnovel that challenges and defies the rhetoric of contemporary America.
