Witness

Caroline Mitchell

Witness Caroline Mitchell

To Rebecca it was a brave decision that led to her freedom from domestic abuse. To Solomon it was the ultimate betrayal.

It's been ten years since Rebecca's testimony saw Solomon locked away. Enough time for the nightmares to recede, the nerves to relax; enough time to rebuild her life and put the past behind her.

Then one day a phone rings in her bedroom—but it's not her phone. Solomon has been in her home, and has a very simple message for her: for each of the ten years he has spent in jail, Rebecca must witness a crime. And, to make matters worse, she has to choose the victims.

Fail to respond and you get hurt. Talk to police and you die. Ready to play? You have sixty seconds to decide...

As the crimes grow more severe, the victims closer to home, Rebecca is forced to confront a past she had hoped was gone forever.

From reader reviews:

Helen Leduc:

Book is to be different for each grade. Book for children until eventually adult are different content. We all know that that book is very important for people. The book Witness has been making you to know about other knowledge and of course you can take more information. It is rather advantages for you. The publication Witness is not only giving you far more new information but also for being your friend when you really feel bored. You can spend your current spend time to read your guide. Try to make relationship using the book Witness. You never experience lose out for everything should you read some books.

Marc Starr:

Many people spending their time period by playing outside along with friends, fun activity having family or just watching TV the whole day. You can have new activity to pay your whole day by studying a book. Ugh, ya think reading a book will surely hard because you have to accept the book everywhere? It alright you can have the e-book, bringing everywhere you want in your Mobile phone. Like Witness which is finding the e-book version. So , why not try out this book? Let's view.

Patrick Bodin:

Do you like reading a book? Confuse to looking for your selected book? Or your book seemed to be rare? Why so many question for the book? But almost any people feel that they enjoy to get reading. Some people likes examining, not only science book but in addition novel and Witness or perhaps others sources were given know-how for you. After you know how the truly great a book, you feel wish to read more and more. Science guide was created for teacher or students especially. Those ebooks are helping them to put their knowledge. In different case, beside science publication, any other book likes Witness to make your spare time a lot more colorful. Many types of book like this one.

Tammy Paradis:

Publication is one of source of knowledge. We can add our knowledge from it. Not only for students but also native or citizen need book to know the upgrade information of year to year. As we know those guides have many advantages. Beside we all add our knowledge, may also bring us to around the world. From the book Witness we can have more advantage. Don't you to be creative people? To be creative person must want to read a book. Just simply choose the best book that suited with your aim. Don't end up being doubt to change your life at this time book Witness. You can more inviting than now.
