Caitlin's Country follows the adventures of a fifteen-year-old American girl from Texas who moves half-way across the world to live with her father in modern day Australia. Caitlin tries her best to fit into her new life in the quaint, historic town of Emu Plains in New South Wales. Her father, an antique dealer, lives in a very old cottage which was part of a farm in Australia's early convict days. One afternoon while she is wearing a colonial costume for History Day at school, Caitlin is unexpectedly befriended by a young artist named Ainsley Allen. Ainsley has never heard of Texas or seen a digital wrist-watch! As she struggles to understand her strange friend and where he comes from, Caitlin also deals with the problems of school, making new friends - and getting to know her father again.
