Deadpool Max: Nutjob David Lapham

You may think you know Deadpool. Unkillable mercenary, hopeless romantic, nutjob. It's that last part that presents a problem and that's where Agent Bob steps in. Bob's sole charge in life is to point Deadpool at the problem and pull the trigger--not an easy task when your agent is three cards shy of a full deck, and even harder when you've gone deep cover in the impenetrable fortress of Hammerhead, the Grand Don of the most powerful criminal organization in the world, and your unkillable agent is head over heels for a French maid named Inga...well, you begin to see the inherent problems of the job.
