For years master matchmaker Cathy Crawford's clients have begged, "Isn't there a book that lays out how to find love without sacrificing my mind to my heart?" This is that honest, intelligent guide for millions of unmarried women who want to get married and stay married - particularly if they have no one to marry, have gone through a series of failed relationships, have tried to get a man to the altar who was allergic to altars, have been looking so long that they feel like giving up, go for men who don't go for them, or simply feel they have bad taste in men. For more than thirty years Ms. Crawford has helped thousands of single men and women meet and marry through her unique New York City-based matchmaking organization, Logical Mating. She has developed healthy and successful approaches to dating, having fun, making love, staying safe, and making firm commitments. In "Marriage Is Back!", she offers ways -to meet and marry someone you'll be glad you married. She doesn't promise it will happen overnight (though she insists she can get anyone unhappily married in two weeks). In fact, her approach is very different from the usual field guides to chasing and catching men, avoids blaming men for all the problems of women, and helps you get past the media hype that permeates women's thinking. By working with the ideas and exercises in this book she guarantees that with a bit of self-examination, and at least some application of logic to an area where emotions, both passionate and fearful, tend to rule, you can meet and marry the right guy for your own "happily ever after." Self-assessment quizzes and worksheets throughout.
