Excerpt from Memoir Upon the Late War in North America, Between the French and English, 1755-60, Vol. 1: Followed by Observations Upon the Theatre of Actual War, and by New Details Concerning the Manners and Customs of the Indians; With Topographical Maps

It will be observed that the original edition was printed in Switzerland, fourteen years after the author's death, under the care of an editor whose name does not appear. It is probable that some restriction of government, upon publications of this class, may have occasioned its issue beyond the limits of France.
