What's That Sound?: An Introduction to Rock and Its History (Fourth Edition) John Covach, Andrew Flory

The music?front and center.

The leading text in the market, *What's That Sound?* strengthens students' listening skills and deepens their understanding of rock, first and foremost, as music. New listening guides and author videos reinforce this classic strength, while also providing additional historical and cultural context that allows students to make connections between the music and the times.
