## **Color Your World** Maria Flynn

This book looks at colour in interior design with a special focus on colour psychology, the latest trend in design books at the moment. The author explains the science behind the thinking, and shows real-life examples where colour psychology has been put into practice. It also looks at the broader picture of colour in interior design, and treats the subject as a whole, with clear guidelines on how to create a successful scheme. The author has taken a very technical subject and made it an enjoyable and thought-provoking read.
