William Heaney is a man well acquainted with demons. Not his broken family — his wife has left him for a celebrity chef, his snobbish teenaged son despises him, and his daughter's new boyfriend resembles Nosferatu — nor his drinking problem, nor his unfulfilling government job, but real demons. For demons are real, and William has identified one thousand five hundred and sixty-seven smoky figures, dwelling on the shadowy fringes of human life, influencing our decisions with their sweet and poisoned voices.

After a series of seemingly unconnected personal encounters — with a beautiful and captivating woman met in the company of an infuriating poet, a troubled and damaged veteran of Desert Storm with demons of his own, and an old school acquaintance with whom he shared a mystical occult ritual — William Heaney's life is thrown into a direction he does not fully comprehend. Past and present collide. Long-dormant choices and forgotten deceptions surface. Secrets threaten to become exposed. To weather the changes, William Heaney must learn one thing: how to make friends with demons.
