Japan - 6,000 miles on a bicycle Leigh Norrie

This book is not about cycling, but it is. It's not about Japan, but it is. It's not about sightseeing, but it is. In short, this book is about six months of someone's life -- a journey. As with all journeys, it begins with uncertainty and ends in reward. It may inspire you. If it does nothing more, this adventure will have achieved more than I ever imagined.
