No One Sees Me

David Sleppy

No One Sees Me David Sleppy

In his new book, *No One Sees Me*, photographer and author David Sleppy does see the common souls drifting among us. He does hear their stories. He does want to know. Do we? Perhaps it is because each is a bit too common, too much a reflection of our own weaknesses, our own guilt, that we dare not look. Homelessness. Sleppy brings us into not only the reality of individual situations portrayed through bound pages of masterfully-captured images; but he also narrates the story of each spirit, reflecting the loneliness of course, as well as the passion, and the human kindness of the stranger on the street. An eloquent book of photography, a social commentary of civil blindness, a cautionary tale of our own self-destruction, a tender reflection of the struggle of a mother and her daughter, a teenager's personal plight, the story of a friend we never knew. . . Such a powerful depiction of our overlooked brothers and sisters, readers will hear their own voices upon completing Sleppy's journey: I see you . . . I see you.

From reader reviews:

Brad Hawkes:

Book is to be different for every grade. Book for children until adult are different content. To be sure that book is very important normally. The book No One Sees Me seemed to be making you to know about other expertise and of course you can take more information. It is rather advantages for you. The guide No One Sees Me is not only giving you more new information but also for being your friend when you experience bored. You can spend your spend time to read your guide. Try to make relationship while using book No One Sees Me. You never experience lose out for everything when you read some books.

Deloris Wagner:

Here thing why that No One Sees Me are different and dependable to be yours. First of all reading through a book is good nevertheless it depends in the content than it which is the content is as delicious as food or not. No One Sees Me giving you information deeper and different ways, you can find any publication out there but there is no guide that similar with No One Sees Me. It gives you thrill reading through journey, its open up your current eyes about the thing this happened in the world which is perhaps can be happened around you. You can bring everywhere like in park, café, or even in your means home by train. Should you be having difficulties in bringing the published book maybe the form of No One Sees Me in e-book can be your alternative.

John Lopez:

Information is provisions for people to get better life, information today can get by anyone on everywhere. The information can be a knowledge or any news even an issue. What people must be consider if those information which is within the former life are difficult to be find than now's taking seriously which one is appropriate to believe or which one the actual resource are convinced. If you have the unstable resource then you get it as your main information we will see huge disadvantage for you. All of those possibilities will not happen with you if you take No One Sees Me as the daily resource information.

Jeffery Herring:

People live in this new moment of lifestyle always try and and must have the free time or they will get wide range of stress from both way of life and work. So , once we ask do people have spare time, we will say absolutely yes. People is human not really a huge robot. Then we consult again, what kind of activity do you have when the spare time coming to an individual of course your answer will certainly unlimited right. Then do you ever try this one, reading publications. It can be your alternative inside spending your spare time, the particular book you have read is actually No One Sees Me.
