An experiment that began 2.8 billion years ago is about to end... Seb Varden is starting to get used to life as a World Walker. With a body full of alien nanotechnology, the ability to travel anywhere instantly and - most surprising of all - a steady relationship with Meera Patel, things are finally looking up. Until Seb has his first blackout, starts meeting aliens and discovers a plan that threatens the entire human race. And, of course, Mason, the most dangerous Manna user, picks this particular moment to come after him and Meera. Scariest of all, Seb is learning his transformation into a World Walker is far from complete... Monkeys, aliens, technology, parallel universes, music, psychopaths, A.I., a magic tech spider, The Unmaking Engine has it all, including the explanation of how all life on earth began. Did I mention monkeys? The Unmaking Engine is book 2 in the The World Walker Series. The World Walker is a Kindle bestseller. Here's what some readers had to say about it: "does a fantastic job at capturing you from page one and never letting go, even after the story concludes" "Good taut science fantasy with characters who you come to care about" "The pacing of the book was excellent, I couldn't put it down" "This has it all, magic, mayhem, aliens, sci fi, super tech, knife fights, romance and loss, what a belter of a read, I haven't been this hooked on a book for ages! You won't be able to put it down"
