Treasure Island (Illustrated) (1000 Copy Limited Edition)

Robert Louis Stevenson

Treasure Island (Illustrated) (1000 Copy Limited Edition) Robert Louis Stevenson

Treasure Island follows the adventures of a cabin boy named Jim Hawkins on board the 'Hispaniola'. Hawkins is in for the adventure of a lifetime, as he braves dangerous waters, lives through a mutiny, and searches for buried treasure. Treasure Island is traditionally considered a coming-of-age story, and is noted for its atmosphere, characters, and action. It is also noted as a wry commentary on the ambiguity of morality-as seen in Long John Silver-unusual for children's literature. It is one of the most frequently dramatized of all novels. Its influence is enormous on popular perceptions of pirates, including such elements as treasure maps marked with an "X", schooners, the Black Spot, tropical islands, and one-legged seamen bearing parrots on their shoulders. Included are 40 illustrations by Louis Rhead. This edition is limited to 1,000 copies.
