Resigned to her new life as a witch and determined to make a success of both that and her business, Jinx has a lot to learn. She sets out to both study her craft and get a true direction for her aunt's haphazard approach to inventory. Not to mention the fact that she wouldn't mind getting to know neighboring business owner Chase McGregor much better. Although Jinx can call on Aunt Fiona's ghost for help, the old lady is far too busy living a jet set afterlife to be worried about her niece's learning curve. That sets Jinx up to make a major mistake and to figure out how to set things right again.
