Beloved Amber Brown returns in a new book!

Amber can't wait to be Best Child when her mom and Max get married, but planning a wedding comes with lots of headaches. Amber can't find the right dress, her dad keeps making mean cracks about Max, and Mom and Max have very different ideas about how much this wedding should cost. Her mother even suggests they go to city hall and skip the party altogether! Even though adults can be a lot of work, Amber is determined to be the best Best Child ever. She helps find the perfect location, makes her dad shape up, and, with the help of best friend Justin, gives the perfect wedding speech.

Paula Danziger called Bruce Coville and Elizabeth Levy her best friend and her other best friend, and this close connection enabled them to lovingly capture Amber Brown's voice, sense of humor, big-heartedness, and her fondness for puns.
