Dragons and Dinosaurs: The New World (Volume 1) Timothy Martin

Jim is a small-town police officer, proudly doing his duty like any law enforcement agent would. When a call comes in reporting the grizzly, messy deaths of several animals from a local farm, Jim begins an investigation that will change his life forever. After crashing his vehicle following a bloody trail in the woods, he wakes up and realizes that he is not only lost, but he's in a dangerous land where dragons, dinosaurs and magic exist. He relies on his training and survival instincts to cheat death a few times before rescuing and befriending a small dragon. As time goes on, Jim's adventures become grander in scale and he must eventually face the fact that he wasn't brought to this fantastic world by accident. In this world, the power is out of balance. An evil wizard and his minions control the entire land. The dragons are ready to fight, but they are looking for a leader...a hero. Can Jim be this person?
