Understanding Financial Accounting as the Language of Business

Once individuals see that accounting is the language of business, they are on their way to academic and professional success. Financial Accounting translates the essentials of accounting to readers so they understand why and when financially sound decisions are made in business today. The Fourth Edition uses real-world examples from Bold City Brewery and other businesses that readers encounter in their everyday lives, making the material relevant and giving readers more of those “I get it” moments.

MyAccountingLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.
